

CITY OF SANGER
EMERGENCY SERVICES DIRECTOR EXECUTIVE ORDER 20-12b
RELATING TO THE LIFTED REGIONAL STAY AT HOME ORDER WITHIN THE
CITY OF SANGER CITY LIMITS

As the Director of Emergency Services pursuant to Sanger City Code Chapter 26, Article I, and by the powers vested in me by Sanger City Code Section 26-6, I hereby issue the following orders, to be effective immediately and for so long as the City's declared emergency is in effect related to COVID-19:

- 1) On December 3, 2020, The California Department of Public Health announced the Regional Stay at Home Order. Upon assessment of the recent, unprecedented rise in the rate of increase in COVID-19 cases, hospitalizations, and test positivity rates across California, the California Department of Public Health (CDPH) is taking immediate actions to prevent the spread of the virus. The purpose of the State mandate was to reduce the risk and exposure of the COVID-19 virus. The purpose of this local order was to ensure the State mandate was followed by the City of Sanger.
- 2) Officials with the California Department of Public Health (CDPH) today ended the Regional Stay at Home Order, lifting the order for all regions statewide, including the three regions that had still been under the order – San Joaquin Valley, Bay Area and Southern California. Four-week ICU capacity projections for these three regions are above 15%, the threshold that allows regions to exit the order.
- 3) This action allows all counties statewide to return to the rules and framework of the Blueprint for a Safer Economy and color-coded tiers that indicate which activities and businesses are open based on local case rates and test positivity. The majority of the counties are in the strictest, or purple tier, including Fresno County and the City of Sanger.
- 4) While there are positive signs that the virus is spreading at a slower rate across the state, the COVID-19 pandemic is far from over. It is still critical that Californians continue to wear masks when they leave their homes, maintain physical distance of at least 6 feet, wash their hands frequently, avoid gatherings and mixing with other households, follow all state and local health department guidance and get the vaccine when it's their turn.
- 5) As part of the now Lifted Regional Stay at Home Order and the City of Sangers return to the Purple Tier Level, the following uses will be allowed effective immediately:
 - a. Bars – Allowed with Meal Service only (Outdoors). All alcoholic beverages must be accompanied with meal services.
 - b. Barber Shops – Allowed indoors with modifications per State guidelines.
 - c. Churches – Allowed outdoors only.
 - d. Gyms/Fitness Centers – Allowed outdoors only.
 - e. Hair/Nail Salons - Allowed indoors with modifications per State guidelines.
 - f. Professional Offices – Allowed for essential businesses only.
 - g. Restaurants – Allowed outdoors only and subject to State Guidelines.
 - h. Retailers - Allowed at Twenty-Percent (20%) Capacity without food services.

- 6) This Order shall be immediately translated into Spanish, and accommodations made for all disabled persons to read its contents; it shall also be distributed to all local media and made prominently available on the City's website.
- 7) Sanger Police Department, Sanger Code Enforcement Department, and other law enforcement authorities cooperating with the City of Sanger, are hereby authorized and charged, to the extent provided by law, with the responsibility of enforcing this regulation. Any violations of this regulations shall be punished as provided in Sanger City Code Section 1-7.

THEREFORE, I, Tim Chapa, as Director of Emergency Services, to help mitigate the spread of COVID-19 and the financial effects related to COVID-19, order the Regional Stay at Home Order be lifted subject to the above conditions and effective immediately within the City of Sanger.

DATE: 1/25/2021

Tim Chapa, City Manager/Director of Emergency Services
