

CITY OF SANGER
EMERGENCY SERVICES DIRECTOR EXECUTIVE ORDER 20-12a
RELATING TO THE REGIONAL STAY AT HOME ORDER WITHIN THE CITY OF
SANGER CITY LIMITS

As the Director of Emergency Services pursuant to Sanger City Code Chapter 26, Article I, and by the powers vested in me by Sanger City Code Section 26-6, I hereby issue the following orders, to be effective immediately and for so long as the City's declared emergency is in effect related to COVID-19:

- 1) On December 3, 2020, The California Department of Public Health announced the Regional Stay at Home Order. Upon assessment of the recent, unprecedented rise in the rate of increase in COVID-19 cases, hospitalizations, and test positivity rates across California, the California Department of Public Health (CDPH) is taking immediate actions to prevent the spread of the virus. The purpose of the State mandate is to reduce the risk and exposure of the COVID-19 virus. The purpose of this local order is to ensure the State mandate is followed by the City of Sanger.
- 2) The Regional Stay at Home order will go into effect in regions with less than 15% ICU availability. Fresno County has been grouped in the San Joaquin Valley Region. As of December 30, 2020, the San Joaquin Valley Region, including Fresno County, is at 0.0 % ICU Capacity.
- 3) CDPH will evaluate public health based on Regions, responsive to hospital capacity for persons residing in those Regions.
- 4) CDPH will evaluate the adult ICU bed capacity for each Region and identify on covid19.ca.gov any Regions for which that capacity is less than 15%. When that capacity is less than 15%, the following terms (the Terms of this Order) will apply.
- 5) NOW, THEREFORE, as the Director of Emergency Services of the City of Sanger, I order:
 - a. All gatherings with members of other households are prohibited in the Region except as expressly permitted herein.
 - b. All individuals living in the Region shall stay home or at their place of residence except as necessary to conduct activities associated with the operation, maintenance, or usage of critical infrastructure, as required by law, or as specifically permitted in this order.
 - c. Worship and political expression are permitted outdoors, consistent with existing guidance for those activities.
 - d. Critical infrastructure sectors may operate and must continue to modify operations pursuant to the applicable sector guidance.
 - e. Guidance related to schools remain in effect and unchanged. Accordingly, when this Order takes effect in a Region, schools that have previously reopened for in-person instruction may remain open, and schools may continue to bring students back for in-person instruction under the Elementary School Waiver Process or Cohorting Guidance.
 - f. In order to reduce congestion and the resulting increase in risk of transmission of COVID-19 in critical infrastructure retailers, all retailers may operate indoors at no more than 20% capacity and must follow the guidance for retailers. All access to retail must be strictly metered to ensure compliance with the limit on capacity. The sale of food, beverages, and alcohol for instore consumption is prohibited.
 - g. To promote and protect the physical and mental well-being of people in California, outdoor recreation facilities may continue to operate. Those facilities may not sell food or drink for on-site consumption. Overnight stays at campgrounds are not permitted.

- h. Nothing in this Order prevents any number of persons from the same household from leaving their residence, lodging, or temporary accommodation, as long as they do not engage in any interaction with (or otherwise gather with) any number of persons from any other household, except as specifically permitted herein.
- i. Terms (a) and (b) of this section do not apply to persons experiencing homelessness.

- 6) Except as otherwise required by law, no hotel or lodging entity in California shall accept or honor out of state reservations for non-essential travel, unless the reservation is for at least the minimum time period required for quarantine and the persons identified in the reservation will quarantine in the hotel or lodging entity until after that time period has expired.

This order shall remain in effect until the California Department of Public Health determines the San Joaquin Valley Region's ICU capacity has reached or exceeds 15%.

- 7) For Regions where the adult ICU bed capacity falls below 15% after the effective date of this order, the Terms of this Order shall take effect 24 hours after that assessment.
- 8) The Terms of this Order shall continue until CDPH's four-week projections of the Region's total available adult ICU bed capacity is greater than or equal to 15%. Four-week adult ICU bed capacity projections will be made on a daily basis, unless CDPH determines that public health conditions merit an alternate projection schedule.
- 9) After the termination of the Terms of this Order in a Region, each county within the Region will be assigned to a tier based on the Blueprint for a Safer Economy as set out in the CDPH August 28, 2020 Order, and the County is subject to the restrictions of the Blueprint appropriate to that tier.
- 10) The CDPH will continue to monitor the epidemiological data and will modify this Regional Stay-at-Home Order as required by the evolving public health conditions. If it is determined that it is necessary to change the Terms of this Order, or otherwise modify the Regional Stay-at-Home Order, these modifications will be posted at covid19.ca.gov.
- 11) When operative in a Region, the Terms of this Order supersede any conflicting terms in other CDPH orders, directives, or guidance. Specifically, for those Regions with ICU bed capacity triggering this order, the Terms of this Order shall supersede the State's Blueprint for a Safer Economy and all guidance (other than guidance for critical infrastructure sectors) during the operative period. In all Regions that are not subject to the restrictions in this order, the Blueprint for a Safer Economy and all guidance shall remain in effect.
- 12) This order is issued pursuant to Health and Safety Code sections 120125, 120130(c), 120135, 120140, 120145, 120175, 120195 and 131080; EO N-60-20, N-25-20, and other authority provided for under the Emergency Services Act; and other applicable law. The Order shall be subject to amendment or repeal at anytime and shall not be deemed to confer any contractual obligations, property rights, or assume any City liability.
- 13) If any provision of this Order or its application to any person or circumstance is held to be invalid, then the remainder of the Order, including the application of such part or provision to other persons or circumstances, shall not be affected and shall continue in full force and effect. To this end, the provisions of this Order are severable.
- 14) This Order shall be immediately translated into Spanish, and accommodations made for all disabled persons to read its contents; it shall also be distributed to all local media and made prominently available on the City's website.

15) Sanger Police Department, Sanger Code Enforcement Department, and other law enforcement authorities cooperating with the City of Sanger, are hereby authorized and charged, to the extent provided by law, with the responsibility of enforcing this regulation. Any violations of this regulations shall be punished as provided in Sanger City Code Section 1-7.

THEREFORE, I, Greg Garner, Acting City Manager, as Director of Emergency Services, to help mitigate the spread of COVID-19 and the financial effects related to COVID-19, order the Regional Stay at Home Order that effective immediately subject to the above conditions and effective immediately within the City of Sanger.
